

Visa Suspension: Affected Countries

75 COUNTRIES AFFECTED

Complete list organized by geographic region • Updated January 2026

Scope & Interpretation

The list of 75 countries spans multiple regions, underscoring the breadth of the suspension. How individuals should interpret the country list can turn on edge cases such as **dual nationality**, changes in citizenship status, or **derivative beneficiaries** tied to a principal applicant.

IMPORTANT: In family-based filings, the nationality of the person seeking the visa determines whether the pause applies. For **dual nationals**, the determination can hinge on which passport is used and how the government treats eligibility under the suspension's terms.
